MINISTRY INTERESTS & OPPORTUNITIES

As you peruse this "Ministry & Interest Opportunities Brochure" please do so with your heart. While it's true that nearly every church, ours included, could always use more volunteers, we are not interested in merely filling open slots with warm bodies. Instead, we want you to choose to participate where you feel useful, talented, needed or perhaps even "Called". This "Calling" thing is usually difficult for most of us, but if we listen closely maybe we can begin to hear

**Please return this form to the
Church Office. Thank You!**

"His Voice". It might be through prayer, a trusted friend, scriptures, or even books and movies. Can you hear it? Our greatest rewards and best sense of self seem to come from this... this connection to God and who we are meant to be.
