

Best of My Love  
(parody of Best of My Love by the Eagles)

**Intro** - C C Dm Dm

C Dm  
One lonesome night, fearing His plight, instead of keeping vigil,  
C Dm Em  
Thinking about all the things that He said, but I just slept and lied still,  
Dm Em F  
He told us over and over, but to keep watch was just too much,  
C Dm C G7  
I know He was prepping to give us the best of His love.

C Dm  
Beautiful graces for loud empty faces, look at the way that we live,  
C Dm  
Ignoring our time, we talk and we whine, not seeing the Life that You give,  
Em Dm Em F  
That same old crowd would not believe that a cloud, will one day let us rise above,  
C Dm C G7  
But right from the start, You gave us the best of Your love.

C Dm  
Oh-oh-oh ohhhh, sweet children, I gave the best of my love,  
C Dm Fm7  
Oh-oh-oh ohhhh, sweet children, you get the best of my love.

**Bridge**

C  
It was the middle of the night, was this a bad dream?  
Fm7 C Dm G7  
Yes, I denied You three times, would You have been tried six times, if I had not been sleeping?

C Dm  
But early next morning, I woke up and worried, what's gonna happen today?  
C Dm Em  
They saw You their way, and I saw You mine, but we both saw You slipping away,  
Dm Em Dm G7  
I know we always have Your love, Jesus, I know that's always enough; o-o-ohh  
C Dm C G  
And here in my heart, You gave me the best of Your love.

C Dm  
Oh-oh-oh ohhhh, sweet children, I gave the best of my love,  
C Dm  
Oh-oh-oh ohhhh, sweet children, you get the best of my love...
