Elijah looked toward Heaven, it got very bright,  
C G G7  
The fire fell sure enough takin' 50 guys' lives,  
C C7  
I've got a feelin'- I'm about to die,  
C G C  
'Cause I know that Elijah's tried that twice.

So I'm singin'...

C  
Eli-jah! Eli-jah!  
C7 G C  
Don't start no fires, Eli-jah!

C C7  
He's the one, uh, who brought, uh, who brought the fire down,  
C C7  
He's the one, uh who brought, uh, who brought the fire down,  
G C  
Drive those soldiers away!

C7  
So now I'm gonna meet him, and I wonder what I shall say,  
C C7  
I've gotta follow all the king's commands- so here's my plan,  
C C7  
I'm gonna shout and holler "Elijah, save us from senseless slaughter!  
C C7 C  
"Please won't you go with me; I'm a peaceful man!"

So I'm singin'...
