C

This is the story of a squirrel

G A D

Whom God Preserved when He drowned the whole world

Bm C

And while things looked so dark and Noah's Ark

A G D C G D C

Was absolutely flooded - yet she's fine.

Bm C

How many days were they there?

G D

Afloat in the boat it was over one year

Bm C

How come the world didn't prepare?

G D

Meteorologists said it would clear

Bm C

How could they stand that raining?

G D

Where was the hope in the souls of the crew?

Bm C

Life on the waves is severe

G D

When it's Gilligan's Island combined with a zoo

Em D/F#

But Noah was aware the world would get sprayed

G A

And the wind would never fall in quite the same way

Bm C A

But two of every creatures would come out of things O.K.

G A D

Whom God Preserved when He drowned the whole world

Bm C

And while things looked so bad and Noah's raft

A G D C G D C

Was absolutely flooded - yet she's fine.

Bm C

Have they discovered the place

G D

Where the boat came to rest when the rain was all drained?

Bm C G D

Why don't we climb up its face? Walk up the mountain from Genesis 8?

Bm C G D

It's probably still there waiting there in the snow in the cold altitude

Bm C

How do we get there today?

G D

When you walk into Turkey and hiking is refused?

Em D/F#  
They've closed up the Ararat Mountain these days  
G A  
There's terrorists there besides - it ain't safe  
Bm C A  
And they're 17,000 feet high - I think we'll wait

C  
This is the story of a squirrel

Well, you're told to prepare as well and get saved  
G A  
And the end of the world it might be on the way  
Bm C A  
But you'd never think you'd run out of time today.

C  
This is the story of a squirrel  
G A D  
Whom God Preserved when He drowned the whole world  
Bm C  
And when we look close at Jehovah's wrath  
A  
I absolutely shudder.
