

Trooth – Apologetix
Parody of Smooth by Santana

Am7 E7
Man, it's a hot one,
Am7 E7
That separation of re-lig-i-on,
Dm7 Em7
I feel what's written in God's Word could help everyone,
Am7 E7
In your state-owned school.

Am7 E7
My homeroom teacher,
Am7 E7
My famished heart is more than eager,
Dm7 Em7
But my reason for readin',
Am7 E7
Is gettin' the truth.

Am7 E7
And if you said this Bible ain't good enough,
Am7 E7
For the real-life world so give it up,
Am7 Em7
I could change my mind to better suit your rules,
Dm7 Em7 E7
But it's still true.

Am7 E7
And it's just like the notion that one and one is two,
Am7 E7
It's the same as any question on a test from you,
Am7 E7
You've got to find solutions that can be absolute,
Dm7 Em7 E7#9
Yeah, live in the dark ages still... or else go get a Bible.

Am7 E7
I'll tell you one thing,
Am7 E7
If you don't read it it's a cryin' shame,
Dm7 Em7 Am7 E7
Can't live by bread but every word I hear that came out of His mouth.

Am7 E7 Am7 E7
I love the Bible so, it's like arithmetic and reading though,
Dm7 Em7 Am7 E7
I feel the learning of the world goes awful slow – shutting it out,
Am7 E7
And if you said this Bible ain't good enough,
Am7 E7
For the real-life world so give it up,
Am7 Em7 Dm7
I could change my mind to better suit your rules,
Dm7 Em7 E7
But it's still true.

Am7 E7
And, it's just like the notion that one and one is two,
Am7 E7
It's the same as any question on a test from you,
Am7 E7
You've got to find ya something that can be called truth,
Dm7 Em7
So live in the dark ages still,
E7#9
Or else go get a Bible.

Or else go get a Bible,

Let's all go get a Bible,
