

# B1 one being, being one

## The B1-Fast Mission Project Kicks Off This Month...

The Fusion youth will be starting the B1-Fast Mission project the first week of February! This year the youth have decided to raise money for Haitians and Cambodians. Once again we decided to split our funds 50/50 to support each of these Advance projects.

We have decided to continue supporting Haiti (like last year) because they still need our help. As I write this article it is the anniversary of the earthquake in Haiti. Haiti still needs our prayers and gifts. This past year has not been easy for them between losing everything and then disease taking more lives. We want to help any way we can.

The Cambodian project is called Community Health and Agricultural Development (CHAD). CHAD aims to improve health, nutrition, and livelihood options for rural Cambodians, thus transforming lives from poverty and hopelessness to health, wholeness, and a hopeful future. Pastor Beth's sister-in-law and her family are missionaries in Cambodia.

Our plan is to fundraise and collect for two months. Our fast is March 11-12. During the fast, we will participate in a service project nearby. We will host our 2nd Annual Valentine Dinner (see details below). There will be many fundraisers coming up so please keep your eyes and ears open.

100% of the gifts we receive will go to these Advance projects. The Advance is the designated-giving arm of the United Methodist Church that ensures 100% of each gift reaches its intended mission or ministry. We encourage you to give and thank you for your support and contribution during our B1-Fast. Let's try to raise more than last year. Last year we raised \$6144! Go PFUMC family!!
